ABSTRACT

Shafira, S. D. 2020 *Anxiety Of The Main Character As Seen In Frozen Movie's Script (2013)*. Thesis. English Education Department. Faculty of Teacher Training and Education. University of PGRI Adi Buana Surabaya. Advisor Ferra Dian Andanty, S.S., M.Pd.

Keywords: *Psychoanalysis, Anxiety, Frozen Movie, Elsa*

Anxiety still becomes classical problem in real life. That is why this research focused on anxiety. This research aims to describe what type of Elsa's anxiety and how anxiety shown in Elsa as the main character of Frozen movie. This research applies psychoanalysis theory by Sigmund Freud (1964) to analyze the anxiety that shown in Elsa as the main character who has a magic power since she were born.

This research is a qualitative research by employing descriptive method. This research uses theory of anxiety by Sigmund Freud (1964) which is devided into three types, there are neurotic anxiety, moral anxiety, and reality anxiety. To collect the data, the researcher uses document studies. To analyze the data, the researcher uses descriptive analysis. The data of this research are taken from Frozen movie's script.

Then the result of this study show three types of anxiety according to Freud which Elsa experienced as the main character of Frozen movie such as neurotic anxiety, moral anxiety, and reality anxiety. There are 1 neurotic anxiety, 4 moral anxiety and 2 reality anxiety. Her anxiety came from the accident in the past when Elsa accidentally hurt Anna. The result also show how anxiety showed on Elsa's expression.

ACKNOWLEDGEMENTS

Alhamdulillah, Alhamdulillah robil ‘alamin, praise to Allah almighty and the most merciful. Because of God’s blessing, I finally got my thesis done. I want to show my sincere gratitude to everyone who has supported me while completing this thesis work.

First, I want to show my highest gratitude to Mr. Dr. M. Subandowo, MS. As rector of Adi Buana University Surabaya. I would also like to say thank you to my beloved advisor Ferra Dian Andanty, S.S., M.Pd who has given me guidance and suggestion for my thesis improvement as well. She has role more than a advisor, she is like my mom who always give me the best suggestion so that when for the thesis examination later, I will easily answer the question of the examiner. She also like my best friend who always reminded me to do a thesis. She always care with her students perfectly although she has so much student in Adi Buana University. I am proud to be her student.

Then I would like to express my appreciation to my family, my dad who never give up to finance my study. My mom who always help my dad to finance my family, who always loving me, who always care to me, who always support me, and also my brother who always encouraging me.

I would like to say thank you for all my friends at English Department Education especially the B Class 2016 and C Class 2016 who always cheering me up, healing me and always support me to do this thesis. I also say thanks to Muhammad Ibrahim who always help me find the way out when I get a problem and gives me encouragement to do this thesis. The last I would like to say thank you to Mr. Rahmat Setiawan who help me to find some reference in this thesis.

Finally I realized that this thesis is far from the word ‘perfect’. I would like to invite you as the reader to give critical comments and suggestion from those who are very concern about such topic. Then I hope this thesis will make the reader a new insight.
