## Synopsis

Shazam is a film that tells the story of Billy Batson, a 14-year-old boy. Billy Batson spent his teenage years running away from various orphanages in search of his biological mother who disappeared when he was a child, because of the various "mischief" that he did make Billy currently in a home group and has a new foster parents named Victor and Rosa Vazquez had 5 other foster children in their home (Mary Bromfield, Pedro-Pena, Eugene Choi, Darla Dudley, and Freddy Freeman), and in the middle of the trip Billy had managed to find the address of his mother's residence in one of the flats, with enthusiasm Billy went to where his mother lived, but unexpectedly that it turns out Mrs. Billy did not accept Billy again for a reason.

One day Billy met an old wizard named Shazam. The old witch left Billy super powers. Billy just needs to say the word "Shazam!" and he turned into a very strong young adult. And of course the first thing he will do after learning his strength is to defend the truth and quell evil.

Still the spirit of children, Billy as an adult Shazam likes to have fun. Adult Shazam also does things done by teenagers of Billy's age. But he still hasn't found the super strength he has. Accompanied by his best friend, Freddy, the adult Shazam recorded the trials of

super strength he had. But behind it all there is someone who is eyeing the power of Billy, plus this person has the power of "Seven Deadly Sins". Shazam must quickly master his strength to fight Dr. Thaddeus Sivana. His transformation into a super hero is passed through careless fun, the adventures of Freddy and Shazam. From the film's narration, it shows the simple situation that Billy is an anti-hero with a hero's journey. The journey of the heroes is known from Billy's changes in living his days when he meets an old wizard named Shazam and gets the super powers given by that witch.

Then, Billy feel tried to run away and hide from enemies who were looking for him to take over his strength, until Billy Batson chose to make 5 other foster children heroes who had different strengths and could help him in defeating Dr.Sivana, and Billy managed to take Dr.Sivana's strength from seven deadly sins.

The last, after Billy had made it through the long process before and after becoming a hero, he became aware that the orphanage was the best house for him to live in.
