

## ABSTRACT

Zamroni, Muhammad Lutfi.(2020). *Analysis of Politeness Strategies in Dangerous Mind movie (1995)*. Undergraduate Thesis. English Education Department. Faculty of Teacher Training and Education. University of PGRI Adi Buana Surabaya. Advisor: Dr. Dyah Rochmawati. M.Pd

Keywords: *politeness strategies, movie.*

There have been researches dealing with politeness strategies in *Dangerous Mind movie (1995)*. These researches have been limited to utterances from the actor and actresses *Dangerous Mind movie (1995)*. The present study aimed at finding out the positive and negative politeness strategies from those utterances among the actor and actresses of *Dangerous Mind movie (1995)*. For this purpose, the research question was formulated as follows: (1).What kind of positive strategies are used by actor and actresses in *Dangerous Minds Movie(1995)?*' and (2).What kind of negative politeness strategies are used by actor and actresses in *Dangerous Minds Movie(1995)?*'.

In response to this question, the research used the qualitative method. The data were in forms of utterances positive and negative politeness by among actor and actresses in *Dangerous Mind Movie (1995)*. The research took the data from the movie script of *Dangerous Minds (1995)*. The data analysis used data reduction, data display and data conclusion drawing and verification.

The result of this research from *Dangerous Minds Movie (1995)* by main characters found 73 utterances positive politeness strategies, 59 utterances negative politeness strategies according using theory Brown and Levinson (1978).
