Tujuan dari penelitian ini adalah untuk memahami implikatur percakapan antara Alice dan ayahnya dalam novel "Wish You Were Here" oleh Victoria Connelly. Penulis tertarik pada novel ini, karena aliran novel ini bercerita tentang seorang wanita bernama Alice yang berpikir bahwa dia adalah wanita biasa yang ingin dicintai dan mendapatkan perhatian dari lawan jenis.

Penelitian ini adalah kualitatif, karena data diambil dari ucapan Alice dan ayahnya. Penulis mengumpulkan data dari novel dengan membaca novel, mengurutkan ucapan, mendaftar ucapan, memberikan penjelasan, dan mengatur data yang diperoleh secara sistematis. Untuk menganalisis data, penulis menggunakan metode deskriptif kualitatif

Dari percakapan antara Alice dan ayahnya dalam novel "Wish You Were Here", penulis menemukan tiga maksim dalam percakapan mereka menurut empat maksim dalam prinsip kerja sama dari teori Paul Grice. Ada tiga prinsip; maksim kualitas, maksim kuantitas, dan maksim relasi. Penulis menyimpulkan bahwa maksim dominan yang dilanggar oleh Alice dan ayahnya dalam novel "Wish You Were Here" oleh Victoria Connelly adalah maksim kuantitas.
