APPENDIX

1. Queen of My Heart

So here we stand in our secret place
Where the sound of the crowd is so far away
You take my hand, and it feels like home
We both understand, it where we belong
So do I say, do I say goodbye
We both have our dreams we both want to fly
So lets take tonight, to carry us through the lonely times
I'll always look back as I walk away
Memories will last for eternity
And all of our tears will be lost in the rain
When I found my way back to your arms again
But until that day, you know you are
The Queen of my heart
So lets take tonight, and never let go
While we dance we kiss, like there's no tomorrow
As the stars sparkle down, like a diamond ring
I'll treasure this moment, till we meet again
But no matter how far, away you may be
I'll just close my eyes, and your in my dreams
And there you will be, until we will meet
I'll always look back as I walk away
This memory will last for eternity
And all of our tears will be lost in the rain
When I find my way back to your arms again
But until that day, you know you are
The Queen of my heart
I'll always look back as I walk away
This memory will last for eternity
And all of our tears will be lost in the rain
When I find my way back to your arms again
But until that day, you know you are
The Queen of my heart, oh yeah, yes you are
The Queen of my heart.

2.Fragile Heart

A fragile heart, was broken before,
 I don't think it could endure another pain,
 But there's a voice from deep inside of you
 That's calling out to make you realize,
 That this new bond gives inspiration,
 To all that feel no love appeal no more,
 So how can I break this wall around you,
 That's aiding both our hearts to grow in pain.
 So forget your past,
 And we can dream tomorrow,
 Save our hearts for care and loving too,
 It's hard I know, but oh one thing's for sure,
 Don't go and break this fragile heart.
 A hurting mind in need of emotion,
 I don't think I could endure another pain,
 But baby in you I've found affection,
 Affection I have never felt before.
 So don't let your past,
 Destroy what comes tomorrow,
 Don't go and break this fragile heart.
 With all this fire that burns between us,
 There's so much to lose,
 Yet so much more to gain,
 And if I could choose the world around me,
 The world I choose would all revolve around you,
 So help me complete the game inside me,
 And help to mend this fragile heart.

3. Swear it Again.

I want to know
 Who ever told you I was letting go
 Of the only joy that I have ever known
 Girl, they're lying
 Just look around
 And all of the people that we used to know

Have just given up, they want to let it go
But we're still trying
So you should know this love we share was never made to die
I'm glad we're on this one way street just you and I just you and I
I'm never gonna say goodbye
'cause I never want to see you cry
I swore to you my love would remain
And I swear it all over again and I
I'm never gonna treat you bad
'Cause I never want to see you sad
I swore to share your joy and your pain
And I swear it all over again
All over again
Some people say
That everything has got its place in time
Even the day must give way to the night
But I'm not buying
'Cause in your eyes
I see a love that burns eternally
And if you see how beautiful you are to me
You'll know I'm not lying
Sure there'll be times we want to say goodbye
But even if we try
There are something's in this life won't be denied
Won't be denied
I'm never gonna say goodbye
'Cause I never want to see you cry
I swore to you my love would remain
And I swear it all over again and I I'm never gonna treat you bad
'Cause I never want to see you sad
I swore to share your joy and your pain
And I swear it all over again
The more I know of you, is the more I know I love you,
And the more that I'm sure I want you forever and ever more
And the more that you love me, the more that I know
Oh that I'm never gonna let you go
Gotta let you know

That I'm never gonna say goodbye
'Cause I never want to see you cry (I never want to see you cry)
I swore to you my love would remain
And I swear it all over again and I (swear it all over again, and I)
I'm never gonna treat you bad (I never want to treat you bad)
'Cause I never want to see you sad (I never gonna see you sad)
I swore to share your joy and your pain (oh no, oh no)
And I swear it all over again
All over again
All over again
And I swear it all over again.

4. I Lay My Love on You.

Just a smile and the rain is gone
Can hardly believe it (yeah)
There's an angel standing next to me
Reaching for my heart
Just a smile and there's no way back
Can hardly believe it (yeah)
But there's an angel and she's calling me
Reaching for my heart
I know, that I'll be ok now
This time it's real
I lay my love on you
It's all I want to do
Every time I breathe I feel brand new
You open up my heart
Show me all your love, and walk right through
As I lay my love on you
I was lost in a lonely place
Could hardly believe it (yeah)
Holding on to yesterdays
Far, far too long
Now I believe it's okay cause
This time it's real
I lay my love on you
It's all I want to do
Every time I breathe I feel brand new
You open up my heart

Show me all your love, and walk right through
 As I lay my love on you
 I never knew that love could feel so good
 Like a once in a lifetime
 You change my world
 I lay my love on you'.

5. My Love.

An empty street, and empty house
 A hole inside my heart
 I'm all alone the rooms are getting smaller
 I wonder how, I wonder why
 I wonder where they are
 The days we had, the songs we sang together
 And oh my love
 I'm holding on forever
 Reaching for a love that seems so far
 So I say a little prayer
 And hope my dreams will take me there
 Where the skies are blue
 To see you once again my love
 Over seas from coast to coast
 To find the place
 I love the most
 Where the fields are green
 To see you once again
 My love
 I try to read, I go to work
 I'm laughing with my friends
 But I can't stop to keep myself from thinking oh no
 I wonder how, I wonder why
 I wonder were they are
 The days we had, the songs we sang together
 And oh my love I'm holding on forever
 Reaching for a love that seems so far
 To hold you in my arms
 To promise you my love

To tell you from the heart what I'm thinking of
 I'm reaching for a love that seems so far
 My Love
 I say a little prayer
 Dreams will take me there
 Where the skies are blue to see you once again
 Over seas from coast to coast
 To find the place I love the most
 Where the fields are green to see you once again
 My love.

6. Puzzle of My Heart.

It's the way she fills my senses
 It's the perfume that she wears
 I feel I'm losing my defence to the Colour of her hair
 And every little piece of her is right just thinking about her takes me
 through the night
 Every time we meet the picture is complete every time we touch the
 feeling is too much
 She's all I ever need to fall in Love again
 I knew it from the very start... She's the Puzzle of my heart
 It's the way she's always smiling that makes me think she never cries
 I feel I'm losing my defence to the colour of her eyes
 And every little piece of her is right
 Like a miracle she's meant to be
 She became the light inside of me and I can feel her like a
 memory from long ago
 Every time we meet the picture is complete every time we touch the
 feeling is too much
 Every time we meet the picture is complete every time we touch the
 feeling is too much
 She's all I ever need to fall in Love again
 I knew it from the very start... She's the Puzzle of my heart

7. Against All Odds.

How can I just let you walk away,
 Just let you leave without a trace,
 When I'm standing taking every breath,
 With you, ooohhh,
 You're the only one who really knew me,

At all.

How can you just walk away from me,
When all I can do is watch you leave,
Cause we shared the laughter and the pain,
And even shared the tears,
You're the only one who really knew me at all.
So take a look at me now,
There's just an empty space,
There's nothing left here to remind me,
Just the memory of your face,
So take a look at me now,
There's just an empty space,
If you're coming back to me it's against all odds,
And that's what I've got to face.
I wish I could just make you turn around,
Turn around and see me cry,
There's so much I need to say to you,
So many reasons why,
You're the only one who really knew me at all.
So take a look at me now,
There's just an empty space,
There's nothing left here to remind me,
Just the memory of your face,
So take a look at me now,
So there's just an empty space,
But to wait for you is all I can do,
When that's what I've got to face.
Take a good look at me now,
Cause I'll be standing here,
And you coming back to me is against all odds,
And that's the chance I've got to take.
Got to take
Got to take
Ooh
Take a look at me now
Take a look at me now.

8. You Make Me Feel.

I've been trying to reach you'
 Cause I got something to say
 But you're talking about just nothing at all
 And you're slipping away
 We were crying together,
 It was a long time ago,
 Before you walk out the door,
 And leave me this way,
 Just hear what I say
 You make me feel, you make me real,
 For the rest of my days, in so many ways,
 You make me feel
 I've been trying to leave you,
 Why should we go on like this?
 But my heart can't breathe,
 When I hear you say,
 It's better this way
 Ten thousand light years away from you
 Keep thinking maybe its time to let go,
 But by the end of the day,
 I still want to say 'DO YOU'
 You make me feel, you make me real,
 For the rest of my days, in so many ways,
 You make me feel.

9. Loneliness Knows Me By Name

Loneliness is always looking for a friend
 It found me once and it has been around since then
 Loneliness is never waiting by the door
 It sweeps right through and it will never be ignored
 Why, why was I chosen?
 Why am I left without?
 The love of my life, the love that I need
 The love that they say is in life for free
 The love of my dreams, the love that I want
 Loneliness knows me by name
 Loneliness knows everything I keep inside
 My endless thoughts in the silence of the night

Loneliness is the one who made me see
 Ain't nobody else who can make a change but me
 Why, why was I chosen?
 Why am I left without?
 Less is more and that would be the vacant space
 The cried out tears and a never ending maze
 I have found what only loneliness provides
 A strength within knowing I will find.

10. I Have a Dream.

I have a dream, a song to sing
 To help me cope, with anything
 If you see the wonder, of a fairytale
 You can take the future, even if you fail
 I believe in angels, something good in everything I see
 I believe in angels, when I know the time is right for me
 I'll cross the stream, I have a dream
 Oh yeah I have a dream, a fantasy
 To help me through, reality
 And my destination, makes it worth the while
 Pushing through the darkness, still another mile
 I believe in angels, something good in everything I see
 I believe in angels, when I know the time is right for me
 I'll cross the stream, I have a dream
 I have a dream, a song to sing
 To help me cope, with anything
 If you see the wonder, of a fairytale
 You can take the future, even if you fail
 I believe in angels, something good in everything I see
 I believe in angels, when I know the time is right for me
 I'll cross the stream, I have a dream
 I'll cross the stream
 I have a dream.
