

ABSTRACT

Amin, Shella Widyawati. 2023. *EFL Students' Perception of the Use of Podcast as Media for Enhancing Listening Skill*. Thesis, English Language Education Department, Faculty of Social Sciences and Humanities, Universitas PGRI Adi Buana Surabaya, Advisor: Dra. Wahyu Bandjarjani, M.Pd.

Keywords: *students' perception, podcast, listening skill.*

The objective of the study was to describe students' perception whether the use of podcast as media can enhance students' listening skill. The research method was descriptive quantitative research. It used a close-ended questionnaire as the instrument about whether the use of podcast media can enhance students listening skills. The research subjects included 10 students in the eighth grade students in one of the Junior Public High Schools in Surabaya who had the most relevant answer. To analyze the data Content analysis was used. The result of this study indicated that students' perceptions towards the use of podcasts as media were 100% positive. Students agreed that learning listening through podcasts could help them enhance their listening skill.

ABSTRAK

Tujuan dari penelitian ini adalah untuk mendeskripsikan persepsi siswa apakah penggunaan media podcast dapat meningkatkan keterampilan mendengarkan siswa. Metode penelitian adalah penelitian deskriptif kuantitatif. Ini menggunakan kuesioner tertutup tentang apakah penggunaan media podcast dapat meningkatkan keterampilan mendengarkan siswa sebagai instrumen. Subyek penelitian adalah 10 siswa kelas VIII di salah satu SMP Negeri di Surabaya yang memiliki jawaban paling relevan. Untuk menganalisis data menggunakan analisis konten. Hasil penelitian ini menunjukkan bahwa persepsi siswa terhadap penggunaan media podcast adalah 100% positif. Siswa setuju bahwa belajar mendengarkan melalui podcast dapat membantu mereka meningkatkan keterampilan mendengarkan mereka.
