

ABSTRACT

This study aims to analyze the effect of word of mouth, service quality, and store atmosphere on purchasing decisions. This type of research uses an explanatory method using incidental sampling techniques. The sample used is 112 respondents, while the analysis uses Linear Regression Analysis and test instruments, as well as t test and F test. The results of this study indicate that the variables Word of Mouth, Service Quality, and Store atmosphere have a positive and partially significant effect on purchasing decisions. While the variables Word of Mouth, Service Quality, and Store Atmosphere simultaneously influence the Purchase Decision. This shows that consumer interest in Angkringan Semar Driyorejo is favored by consumers because it has a positive influence.
