Rahman, Perdana Aulia. 2021. *Implementasi Program Peningkatan kesejahteraan Masyarakat Desa Pulorejo Kabupaten Jombang Dalam Tatanan New Normal*. Skripsi Program Studi Pendidikan Pancasila dan Kewarganegaraan. Fakultas Ilmu Sosial dan Humaniora. Universitas PGRI Adi Buana Surabaya. Pembimbing: 1. Dr. I Wayan Arsana., M.Pd dan Pembimbing 2. Suyono., S.Sos., M.Pd

Kata Kunci: Program peningkatan kesejahteraan masyarakat *new normal*

Program peningkatan kesejahteraan masyarakat Desa Pulorejo Kabupaten Jombang dalam tatanan *new normal* dapat disimpulkan bahwa Warga Desa Pulorejo semakin disiplin dengan penerapan protokol kesehatan dalam tatanan *new normal* di kehidupan sehari-hari. Pemakaian masker saat berada di luar rumah, mencuci tangan baik menggunakan air mengalir maupun hand sanitaizer setelah melakukan aktivitas sehari-hari, menjaga jarak saat melakukan kegiatan rutin misalnya ibadah keagamaan. Dengan pembiasaan seperti ini dapat memperkecil angka penularan wabah covid-19 sehingga warga dapat menerapkan pola hidup sehat di Desa Pulorejo.

Pemerintah Desa Pulorejo dalam penyaluran BLT-DD (Bantuan Langsung Tunai Dana Desa) sudah berusaha semaksimal mungkin untuk membantu meringgankan beban ekonomi masyarakat yang terdampak wabah covid-19 secara prosedur sesuai data yang ada yaitu, warga yang tidak mampu, lansia, janda tidak mampu lebih di utamakan. Selain itu pemerintah Desa Pulorejo juga secara profesional dalam pelaksanaan pembagian program bantuan langsung tunai dana desa yang dilakukan dengan tepat, cepat dan sesuai supaya tidak salah sasaran.

ABSTRACT

Rahman, Perdana Aulia. 2021. *Implementation of the Community Welfare Improvement Program in Pulorejo Village, Jombang Regency in a New Normal Order*. Thesis of Pancasila and Citizenship Education Study Program. Faculty of Social Sciences and Humanities. University PGRI Adi Buana Surabaya. Supervisor: 1. Dr. I Wayan Arsana., M.Pd dan Pembimbing 2. Suyono., S.Sos., M.Pd

Keywords: New normal community welfare improvement program

The program to improve the welfare of the people of Pulorejo Village, Jombang Regency in a new normal order, it can be concluded that the Pulorejo Village residents are increasingly disciplined with the application of health protocols in a new normal order in their daily life. For example, wearing a mask when outside the house, washing hands using running water or a hand sanitizer after carrying out daily activities, maintaining distance when carrying out routine activities such as religious worship. With this kind of habituation, it can reduce the transmission rate of the Covid-19 outbreak so that residents can adopt a healthy lifestyle in Pulorejo Village.

The Pulorejo Village Government in distributing direct cash assistance to village funds has made every effort to help reduce the economic burden of people affected by the Covid-19 outbreak in a procedure according to existing data, namely, poor people, elderly people, widows who cannot afford to be prioritized. In addition, the Pulorejo Village government is also professionally in the implementation of the distribution of the village fund direct cash assistance program which is carried out appropriately, quickly and accordingly so as not to miss targets.
