ACKNOWLEDGMENTS

First and foremost, praises and big thanks to Allah SWT, the Almighty one who has given me pleasure of live and opportunities to finished my thesis proposal. Secondly, thanks to my beloved prophet Muhammad SAW, who has given the all members of moslems happiness, help, protection in the world and the hereafter.

I would like to express my gratitude to my parents who always pray for my success, always take care of me untill in this position. To all of my family, they always support me wherever and whenever I am. Then, don't forget to my beloved future husband Ramadhan Arif Lukman, intentionally was created to accompany me in hard and fun situation. And the last for my parents in law, they have taught many things.

My gratitude also goes to my advisor, Fajar Susanto. S.S., M.Pd. for his patience to lead me during I came to him with many lack of knowledge in my topic. He always gave me new inspiration to complete my thesis with brilliant ideas. You are everything that I could hope for my thesis, and I am honestly grateful, I had the opportunities to study more about cohesive markers with the right person, with the expertise of linguistic subject.

I also would like to express my deep appreciation to Dr. Dra. Hj. Siyaswati, M.Pd. as the Head of English Language Education Department, all lecturers in Adi Buana Surabaya whose name cannot be mentioned one by one. The researcher thanks for given valuable knowledge since studying in this university.

Hearfelt expressions of thanks to teachers and students especially F class in SMPN 12 Gresik who expedited the process of taken the data in my research. Without their contributions I cannot finish my thesis.

Last, and most importantly, I wish to express my sincere thanks to beloved friends Elly and Lely as my close friends in colleagues, Erica L.H as my bestfriend since kindergarten untill now, C class that has been accompany me since 3,5 years and the last to my friends in “Mr. Fajar squad” which have supported me and push me to do the consultation as often as I could.

Hopefully, may Allah SWT bless those mentioned above and all their sacrifice become their merciful deeds to help them gain success in their future life. The researcher realizes that this study is far from being perfect. Therefore, any constructive criticism and suggestion will be gladly accepted. Finally, it is hoped that this Undergraduate Thesis can bring advantages for the readers.
