 THE CITY CENTER BY THE
 CASTLE

- Thank You.
 - You Must Be Louisa Clark.
 I am Camilla Traynor, do come in.
 Please, sit down.
 ok.
 Do you have any experience of care giving?
 Um, I've never done it, but I'm sure I could learn.
 And do you have experience with quadriplegia?
 eh, no.
 We are talking about complete loss of the legs and very limited use of the arms and hands.
 Would that bother you?
 Not as much as it'd bother him. Obviously.
 So
 Sorry, No! I didn't No, uh!
 No, I.
 Are you alright?
 Um, I'm just a little hot.
 Do you, do you mind if I take off my jacket?
 Your previous employer here says you are a warm, chatty and life enhancing presence with a lot of potential.
 Yes, I paid him. Heh.

So what exactly do you want to do with your life?
 Sorry?
 Do you have aspirations for a career or a professional dream you wish to pursue?
 - Um..well.
 Miss Clark, why should I employ you?
 instead of say, the previous candidate?
 Um
 really? You can't think of a single reason I should employ you?
 Well no, yes, Mrs. Traynor
 I, I'm I'm, I'm a fast learner.
 And I'm never ill, and I only live on the other side of the castle.
 And, and, I am stronger than I look.
 and I make a mean cup of tea.
 You know, there isn't much that can't be solved
 By a decent cup of tea.
 No, not that I'm saying that your husband's paraplegia, quadriplegia could be solved by my husband?
 it's my son.
 your son?

Will was injured in a road accident two years ago.

Ah, I'm sorry, when I am nervous, I just say stupid stuff.

I'm just popping out.

Ah, another interviewee?

Will you be back this evening?

I'll do my best.

Why, do you need me for something?

No darling.

Hello, I am Stephen, Will's father.

Ah, yeah. Louisa Clark.

- nice to meet you.

- yeah.

See you later, darling.

So?

Would you like the job?

Yes!

Can you start immediately?

Yes!

Good.

The let's go and meet Will.

No, Yes, but i

The hours are from 8 to 5, Monday to Saturday.

If for whatever reason you're running late or you need to leave early,

- call me to let me know.

- yeah.

I must stress

That Will should not left alone

- for longer than 15 minutes.

- Ay.

And uh..

You might want to wear something a little less revealing

Oh, yes, of course.

This is the annex, it was the stables, before we had them adapted for Will.

I will give you a set of car keys.

And put you on the insurance.

Nathan, will show you how to use the ramp.

There is a bathroom in here.

The tea and coffee are in this cupboard here.

you're welcome to help yourself.

in the fridge.

You and Will can work out your,

level of interaction yourselves.

obviously well, I would hope that you could get on.

I would be nice if he could think of you as a friend rather than a paid professional.

Do you have any questions?

No.

Then let's introduce you to Will. He should be dressed by now. He has good days and bad days.

Mrs. Traynor, I won't let you down.

Good.

I have someone to meet you.

Yeah, he's decent Mrs. T.

Will, this is Louisa Clark.

I'm Lou.

Will.

William!

William, please!

Hello Louisa Clark.

I am Will Traynor.

You appear to have a problem with your skirt.

You're a bad man, Mr. T!

G'day.Nathan.

Right, well I'll leave you to get on.

Miss Clark, Nathan will talk you through Will's routines and equipment.

You don't have to talk across me, mother.

My brain isn't paralyzed yet.

I'm Lou.

Yeah, you already said that.

Shall I make us all a cup of tea?

Wrench! Where's my wrench!?

Mom, did you turn down the gas on my veggies?

This is the drawer of the covered

- you're getting oil everywhere.

- they're gonna be soggy again.

everything turns up in strange places, in this house.

It's Auntie Lou!

You got it, didn't you!

Uh, yeah!

Louisa Clark, working for the Traynors

Wonders'll never cease.

yeah.

Okay?

This, tells you pretty much everything you need to know.

I do most of the heavy lifting, but

there's a time table here to see what he has, when.

I have to handle drugs? blood pressure meds. to raise it in the morning when he gets up.

anti-spasm tablets.

Four times a day, to control muscle spasms.

tablets for nerve pain.

now, you can give him pain killers

if he asks, just

try to resist giving
 him sleeping pills, if
 possible
 because they tend make
 him a little,
 Well, irritable.
 Like, "more irritable".
 it's a lot to remember.
 It's all written down.
 And he knows what is
 what. He might deny it.
 And you got my number.
 Most of my other
 patients live nearby
 I am never far away.
 what if he needs to, uh
 Don't worry. You're not
 here for any of the
 physical stuff.
 Okay.
 What am I here for?
 To cheer him up, I
 guess.
 Hello.
 Hello.
 So I thought we could
 go out this afternoon.
 Where do you have in
 mind?

Well, I was told you
 have a car that was
 adapted,
 for wheelchairs.
 and you thought a drive
 would be good for me?
 a breath of fresh air?
 What do you usually do?
 I don't do anything,
 Miss Clark. I sit.
 and just about exist.

okay, well I could get
 you your computer?
 Did you find a good
 quad support group I
 could join?
 'Quads-R-Us? The 'Tin
 Wheels' club?
 Or perhaps we could get
 to know each other a
 bit.
 you know, because then
 you
 could tell me what you
 DO like to do.
 Maybe.
 Here's what I know
 about you, Miss Clark.
 My mother says that
 you're chatty.
 yeah.
 could we strike a deal
 Whereby you are very
 'unchatty' around me?
 okay.
 yeah, well I'll just
 be in the kitchen, if
 you need anything.
 lovely.
 Has he done his Stephen
 Hawking impression yet,
 or stuff about "My Left
 Foot"?
 No, he's fine.
 okay, well you can take
 lunch now.
 Me and Mr. T. have a
 few things to take care
 of this time of day.
 - Still a disaster? Yup
 Good morning!
 Hi!
 not a great day.

Would you like a cup of tea?

Oh! Sorry!

Val dIsere.

good snow that year.

Sorry, I was, I was

You were just looking at my photographs.

thinking how awful it must be having lived like that and ended up like this.

The rest are in the drawer if you'd like to snoop around further.

Good morning.

Every time I speak, he looks at me like I am stupid.

To be fair, you are pretty stupid.

Yes, but he does not know that yet.

Maybe he's like that with everyone.

until he knows if you are going to stick around.

I mean, it's only been 10 days.

But it feels like a lifetime.

You can't quit, Lou.

Yes? watch me.

Look, I'm thinking of going back to college. Someone's dropped out of business studies and they can take me back

What? What about

Thomas?

There is a nursery on the Campus, we'd come back at weekends.

I do not have a

Patrick, Lou

I don't think I'm ever going to have a Patrick.

- I need this

- Oh, I get it!

You just want me to stay here in this miserable job, so

I can help Mom and Dad!

- I've done my fair share.

- Oh yeah?

I can't stay here.

You know I can't.

Please, for me and Tom.

Louisa, some visitors are on their way.

Friends of Wills, it's unexpected.

You might need to

I'll make some tea or coffee

And I'll make myself scarce.

Yes, that would be good.

I think I'll

I think I'll leave them to it.

So how's the Physio and stuff, all coming on, is there any improvement?

No.

- because you look good.

Yeah.

So?
 To what do I owe this
 pleasure?
 I'm sorry it's been so
 long.
 But I have been very
 busy,
 Yes, things are manic
 at the office.
 There's a new chap from
 New York.
 Baines, you ever come
 across him at all?
 No.
 vicious.
 total monster.
 Some days, I feel that
 I can hardly leave my
 chair.
 Please say something.
 Congratulations.
 Neither of us meant for
 this to happen. We were
 just
 friends, for ages.
 And if truth be told,
 Rupert was a great
 support, after your
 accident.
 How big of him!
 Oh Will, please, I
 We should probably go.
 I'm sorry will, I
 really am.
 We both are, and I, uh,
 we
 We really do hope
 things improve for you.
 Thank you, you know I
 tried, for months
 He just pushed me away,
 didn't want me here.

You know, you can only
 help someone who
 actually wants to be
 helped.
 I wondered, if you
 wanted me to
 Right, well you'd
 better not move until
 I've cleaned that up.
 Because I've got no
 idea what I'd do, if
 you pop a tire.
 It was awful!
 It's his girlfriend and
 his best friend!
 You can't blame her.
 Are you really saying
 that you'd stick are
 with me
 if I was paralyzed from
 the neck down?
 - of course I would!

Well, I don't want
 someone to stay with me
 out of pity.
 I mean, strangers wipe
 your ass, Jesus!

Think of all the things
 you couldn't do
 No more running, no
 more cycling.
 Hey, no more sex.
 Of course we could have
 sex!
 it's just the girl'd
 have to be on top.
 Ah, well then we'd be
 doing it then?
 Hey, listen.
 Yeah?

- about the holiday.
 - Yeah?
 How do you fancy
 - Norway?
 - Norway!
 - WOW!!!!!!!
 - yeah! okay!
 Eh, boys! I'm in !
 Yeah!
 the Viking triathlon.
 60 miles on a bike.
 30 miles on foot.
 And then a nice swim
 through sub zero Nordic
 seas, yeah!
 That's our holiday?
 not all of it.
 just the beginning,
 then we'll sight see or
 whatever
 I have never been
 fitter, Lou.
 This is the year to do
 it.
 I just thought if I
 could see if I could
 fix some of these.
 Or um, y'know
 If you wanted to get
 new ones, I could go
 into town at lunch
 time.
 or we could both go
 You know what, Louisa.
 Me smashing those was
 not an accident.
 Sorry, aright, I didn't
 think
 you thought you knew
 best.

Well, I don't want
 those pictures staring
 at me,
 Every time I'm in bed,
 Waiting for someone to
 bloody get me out
 again, okay?
 I wasn't going to fix
 the one of Alicia.
 I'm not THAT stupid
 Spare me the
 psychology.
 Just go and raid your
 grandma's wardrobe
 or whatever it is you
 do, when you're not
 making tea.
 You don't have to be an
 ass!!
 Your friends got the
 shitty treatment, fine.
 They deserved it.
 I'm just trying to do
 my job, as best I can.
 So it would be really
 nice if you didn't TRY
 and make my
 life so miserable, as
 you apparently make
 everyone elses.
 And what if I said I
 didn't want you here?
 I'm not employed by
 you, I'm employed by
 your mother.
 So unless she says she
 doesn't want me here
 anymore,
 I'm staying.
 Not because I care
 about you,

or particularly enjoy
 your company.
 But because I need the
 money.
 I really need the
 money.
 Just put them in the
 drawer.
 Hi, am I needed?
 DVD weather, I think.
 "Des Hommes et des
 dieux".
 Something about men?
 Yes, it's French gay
 porn.
 You really don't enjoy
 sarcasm, do you?
 The sarcasm is fine
 I just don't like
 superiority
 You must hate me, then
 Ive never hated anyone.
 let me know
 if you need anything.
 Have you seen it?
 I don't really like
 those kinds of films.
 Those kinds of films?
 What, did your school
 not teach you to read?
 Sit down.
 watch with me, that's
 an order.
 you have no choice!
 Yes.
 I do.
 So?
 Well, they could have
 left!
 they chose to stay.
 Yes, no I get it,

being there, gave their
 lives more meaning, but
 thats
 but you don't agree.
 What?
 to sacrifice themselves
 like that.
 I mean, could you even
 imagine?
 Did you like the film?
 I loved it.
 Oh, if you're laughing
 at me,
 I swear to God I will
 push you out of that
 chair.
 I am not laughing at
 you.

the sky is clearing
 should we get some air?
 I am just amazed that
 you could reach the
 ripe old age of
 - what?
 - 26.
 Oh? Well, I'm just
 amazed that at the ripe
 old age of
 31, without having been
 locked in a cupboard
 - for being such a
 snob.
 - What?
 E.T. is my favorite
 film.
 E.T. is everyone's
 favorite film.
 I've seen every Bond
 sobs the world.
 And I've got a soft
 spot for "Armageddon".

with Bruce Willis.
oil driller. has to
save the world from an
asteroid.
And he does.
That's better.
So.
What do you do with
yourself when you are
not here Louisa Clark?
I uh, spend time with
my family and
I um, go to the pub.
or I watch TV.
And I watch Patrick
running.
Patrick's your
boyfriend?
Yeah.
But you don't run with
him?
I am not exactly built
for it.
This is an impressive
list of hobbies.
Well no, no, ok.
I read a bit.
And I, I like clothes.
You like.clothes.
I dont do much, okay?
I go to work, and I go
home and that's it.
Wow, your life's even
duller than mine.
He's in a good mood.
He told me all about
you offering him the
pasta with green gravy.
He has never had pesto
sauce before!
Whatever, it's all
good.

It's a long time since
he's laughed at
anything.
Hey.
Hello Mr. Traynor, how
are you?
Nathan, what are they
doing in there?
He has a check up every
six months.
To see if he is getting
better?
it's a spinal cord
injury.
He's not going to get
better.
But you do all those
exercises with him.
Yes, to stop his
muscles atrophying.
Will's body no longer
worksbelow here.
but you're still
trying, right?
He's threw everything
into physio in the
first year.
And all we got was
slight movement from
his thumb and finger
Then the first bout of
pneumonia hit
- and then autonomic
dysreflexia.
- And whats that mean?
His blood pressure goes
up and down?
yeah.
He's constantly open to
infection.

But theresmedical
 advances taking place
 all the time, right?
 well, yeah.
 but no one's worked out
 how to fix the spinal
 cord yet

 Where is Nathan?
 I've called him. He'll
 be here soon

 alright?
 - of course.

 it took ages with the bloody weather
 How are things?
 Not great. He's in and out .
 and he's not drunk anything.
 how long has he been like this?!
 maybe four or five hours.
 I called you, I did give him pain killers.
 you might as well have given him M & Ms.
 well he said that he just wanted to sleep.
 this is all in the folder, Lou.
 Will doesn't sweat the way we do.
 If he gets even a slight chill, his temperature goes haywire.
 yeah, but he said bring us a fan and a damp towel, quick.
 - fast!
 - yeah.
 Hey buddy, you alright?
 Will? you alright?
 wait, focus Lou. You gotta watch what I'm doing.
 - Sorry.
 - That's right.

 He's gonna be okay.

VIDEO OF BIRTHDAY OF WILLY THE CRAZY
 there are very few people out there who can claim they have out-Bonded James Bond.
 But birthday boy Wild Willy, Will Traynor, is certainly one of them.
 Hey Will, any final thoughts, bro?
 Im thinking you should be next, mate.
 yeah, right!
 we're all thinking it ..
 Is there really nothing he can't do?
 do we hate him?
 - Yes.
 - we do!
 but there's no point dwelling on that on his birthday.
 thank God, he's not good looking.
 Damn it!
 you're not watching French gay porn, I hope

 the snow got pretty bad.
 shouldn't you be at home?
 you're stuck with me.

Will, can I ask you something?
 I suspect you're going to.
 What happened?
 My Mother didnt tell you?
 It's her favorite story.
 it was some sort of traffic accident.
 motorbike.
 you were riding a motorbike?
 actually I wasn't.
 The bike, hit me.
 I am sorry.
 Sorry, I'm being chatty again.
 And you, you need to rest.
 No.
 stay.
 Tell me
 Tell me something good.
 I used to say that to my Dad!
 But if I told you what he said back, you'd think I was insane.
 That ship already sailed Clark.
 When had nightmares or something, he used to sing.
 go on.
 He used to sing the Malahonkey song.
 What?
 The Malahonkey song. I thought everyone knew it.

trust me Clark
 I am a Malahonkey virgin.
 You're gonna make me sing it now?

 I think what you mean to say is
 Thank you Miss Clark, for attempting to entertain me.
 okay, Clark.
 Tell me something else.
 something that doesn't involve singing.
 - about?
 - anything.
 Well
 When I was little
 my mum got me a pair of glittery wellies
 And I refused to take them off.
 I wore them in bed
 in the bath
 all summer long.
 My favorite outfit was the glittery boots and my bumblebee tights.
 bumblebee tights?

black and yellow
stripes.
Oh dear God!
And I really really
really liked having
stripy legs.
And what happened to
these gorgeous wellies
..
and the stripy tights?
ah, I outgrew them.
It broke my heart.
and they don't make
those tights anymore.
At least not for grown
women anyway.
strange, that?
oh, you can mock!
didn't you ever love
anything that much?
yes.
Yes, I did.

Why not?
Because I do not know

What do you mean by

it can't be from around

Why not?
Because this is the
kind of place people

People here believe

You should be out

I like my life.
You like everything.
Im happy here.
well you shouldn't be.
You want me to be more

I believe he's taken.

 While doing nothing to
 actually take care of
 them.

 And come back here

 There were a lot of
 divorced handovers at
 the cafe.
 I am sorry.
 How did you end up in
 that cafe?
 Trina made a bet that I
 couldn't get a job

in 24 hrs.
 I proved her wrong.
 And you stayed there
 six years.
 Way to go!
 I was supposed to leave
 I had a place at

 What you were going to

 Fashion!!
 And why didn't you go?
 Do you know what I see
 when I look at you?
 Do not say potential.
 potential.
 You have to widen your
 horizons Clark.
 you only get one life.
 And it is actually your
 duty to live it as
 fully as possible.
 Well you, you need a

 I'm, uh,

 If Louisa can come up

 is able
 and prepared to do,
 then that's all for the
 good, surely!

sports, concerts
 I'd love to see him do
 any of these things.
 okay, okay.
 Louisa, if you can get

 Huh, Will?
 You're going to lose.
 How would you know
 that?
 His ears are flat, his

 And he's got a funny

 Great.
 So you know everything
 about horse racing,

 No.
 I just look, process

 This restaurant is for

 I'm sorry, we can only
 serve Premier badge

 And we do not want to
 eat pork rolls in a

 I am very sorry, you
 need a premier are

 ok, ok, ok.
 so how much

for a premier area

 perhaps twenty.

 You will need to go to
 the ticket office to
 buy it.
 Louisa?
 Let's go.
 No, no, no! This is not
 fair!
 We've come all this
 way!
 Louisa?
 I'm not hungry.
 No! I'm just gonna run
 and get the badges
 And then we will have
 our meal.
 and you will see that
 we

 - Lou?
 I think that Will wants

 everything's fine.
 Great so we're going to

 Oh! you're SO annoying!
 you are SO going on a

Get the red dress out.
 really?
 Oh, kapow!
 Lose the scarf.
 The scarf why?
 If you are going to
 wear a dress like that,
 Clark
 You have to wear it
 with confidence.
 Only you, Will Traynor
 would tell a woman how
 to wear a bloody dress
 here.
 - Am I good?
 - Yes.
 Yes, yes. ..
 Is everything okay?
 Actually no, there's
 something digging into
 my collar.
 its the tag.
 have we got any
 scissors in the bag?
 I do not know, Clark.
 believe it or not, I
 rarely
 pack it myself.

 - Wait a minute, Clark.
 Are you okay?
 I am
 I don't want to go in

 I just want to be a man
 who's been to a
 concert,
 with a girl in a red
 dress.
 Just a few minutes
 more.
 So, um
 Patrick, wants to meet
 you.
 'Running Man'? Why?
 I think he wants to
 know
 who I'm spending all
 these late nights with.
 my parents do too.
 I get nervous when I a
 girl asks me to meet
 her parents.
 They wanted me to
 invite you to my
 birthday
 dinner next Thursday,
 but don't worry.
 I said you wouldn't
 want to go.
 Why?
 because you hate
 strangers and don't

like eating in front of
 people
 it seemed pretty
 obvious.
 I'll come, if you want
 me to.
 ah, lads Welcome!
 Bernard Clark.
 I am sorry, I didn't, I
 didn't
 a curtsy will be fine.
 a curtsy, nice one!
 This is Josie, my wife.
 - Hello.
 - Hello.
 come on in.
 Yes, c'mon.
 Thank You.
 listen, have fun.
 Thank You!
 Lord, thank you for the
 food we eat.
 and the company we
 keep.
 Thank you for the
 opportunities that give
 us.
 and the strength to
 face the challenges,
 we meet on our journey.
 Amen.
 - Amen.
 - Amen.
 So, Will
 You bought and sold
 companies?
 something like that.
 Would you know this
 fella, Alan Stonehouse?
 the one who, um,
 what is it?

asset stripped our firm?
 I'm afraid I trained him.
 Oh! Well, that's the door.
 would you like chicken, love?
 six miles, in 28 minutes!
 and um
 Happy birthday to my girlfriend!
 Yes, happy birthday.
 - sorry a bit late.
 - No, only 28 minutes.
 So, couldn't you go back to it, Will? I mean, clearly you're still sharp as a tack.
 - Dad!
 - No, it's fine.
 The truth is that I thought that I could crack this
 and then go back as if nothing had changed.
 I was wrong.
 This is delicious, Mrs. Clark.
 oh, Josie, please!
 Well, we wanted to make today special.
 Wish Trina could have been here.
 She's the brains of the family.
 she got put up two years at school, didn't she, Bernard?
 overtook our Lou.

not bright enough to to stop herself getting up the duff.
 Pat, should I help you to some more chicken?
 So, Patrick?
 Louisa told me that you're a personal trainer

 I will bear that in mind.
 Thank You.

 Happy Birthday, Dear Lou
 Yay!
 Um, So I just wanted to say
 we're very proud of you, love.

 Thank you, Patrick!
 There's something for
 you in my bag as well.
 You got Lou a present?
 that's very kind of
 you!
 - isn't that kind,
 Bernard?
 - That's very kind.
 okay.
 Oh, Oh my God, I don't
 believe it!
 What?

but where did you get
 them!?
 That is a secret.
 tights?
 Only the best pair of
 tights, ever!
 I am going to try them
 on!
 Oh! I can't tell you
 how much I love them.
 really, thanks.
 Okay, you can give a
 kiss.
 Thank you, Josie.
 It was good to meet you
 all.
 And Patrick, thank you
 for the, um,
 fitness advice.
 just helping my
 girlfriend get the best
 out of her job.
 You're a lucky man.
 she certainly gives a
 good bed bath.
 - well done !
 - pleased me.
 So
 I could take you to a
 Shakespeare Festival
 happens today and
 tomorrow.
 or there is a sculpture
 park we can visit.
 or there is there's
 wine tasting.
 This came.
 Wedding of
 Alicia Annabell Dewares
 and Rupert Christopher
 Collins

can I take YOU
 somewhere?
 The first kiss I ever
 had,
 was on that rampart
 Probably didn't hurt
 that you owned the
 castle.
 Ah, maybe I should have
 told her.
 she dumped me a week
 later,
 for a boy who worked at
 the local shop.
 You're never gonna fit
 through there!
 ah, wow, it's amazing!
 Will! Will!
 No, please!
 - Will, stop!
 - Are you coming!?
 it's a very bad idea.
 it's very dangerous.
 it's very, very high.
 And windy

 was
 my favorite place in
 the whole world.
 Did you walk around up
 here,
 pretending to be a
 warrior prince?
 ..even knicked a sword

 That's because you

 You don't get it,
 Clark.
 I want to be in Paris,
 as me.
 The old me.

 that could be something
 to look forward to.
 If I shut my eyes now,
 I know exactly how it

 I do not want those
 memories erased,
 by the struggle to fit

But I tell you where we
will go, though.

Where?

Alicia's wedding.

really?

Will you come with me?

If you want me to.

Hello?

Whoa! Jesus Mum, hello!
is it too much? Oh, sod
it, I don't care!

We are celebrating Lou!

I've got a job!

Oh Dad, that is
fantastic!

You are looking
at the new head of
maintenance
at the castle.

- God, that is

- I know, I know.

Mr. Traynor rang me
himself.

I'm starting tomorrow
morning.

a month's trial.

Isn't it brilliant?
and it's good money,

Lou.

and he get's his own
van.

- see you.

- okay.

But I thought you would
be pleased.

No, I am, I am pleased.

I just, I dont know, I
feel weird.

Well, don't.

Your dad needed a job
and I needed a head of
maintenance

Yes, but it is the
timing, it's just a bit
it's good.

Your dad will be great.

And, it means

it means what?

it means

that one day, you can
go off and spread your
wings

without worrying about
everyone else.

Put yourself first, for
once.

Hello.

Michael Lawler.

I'm here to see Mr

Traynor.

ah, no no, you've got
the wrong door.

- he lives in the

- it's okay, Clark.

How was traffic

Michael?

y'know, once you're out
of London

We'll sit in the
courtyard.

You can leave us,
thanks Clark.

- How have you been?

- Well, thank you.

I thought he seemed
happier, he was
smiling, laughing.

Me, too.

Thank you, for telling
me.

- yeah?

You will look after him
at the wedding, won't
you?

I still don't know why
we're doing this.

We going to behave,
admirably.

Just so you know
that if you do the "My
Left Foot" thing

I will drive home and
leave you stuck here
With all your ex-

spoil sport.

Will, hi.

It's so good to see you
again.

The office is not the
same without you.

One minute you were
there, running
everything and
everyone.

And the next

Well, it's, uh, not the
same.

It's kind of you to say
so, Freddie.

Louisa Clark, Freddie
Foster.

Yes, yes, I saw you at
the church.

Life isn't all bad
then, eh, will.i.am!
anyway, anyway, must
mingle.

What a pleasure to see
you.

And you, Miss Clark.

He's a nice guy.

He fancies you.

He needs glasses.

Don't do that.

You look beautiful.

Well, you don't look so
shabby yourself.

Ladies and gentlemen,
I give you, the bride
and groom,

Mr and Mrs Rupert
Collins!

Whoa God!

There ought to be a law
against Englishmen on
dance floors.

- Bride or Groom?

- oh, neither.

and you?

Godmother to the bride.

What makes me morally
responsible for her.
not one of my finer
acts.

ooh, you don't think
much of her then?

This is a bit
depressing!

Still, I can't do these
things, sober.

Oh no, wait, there's
alcohol in this stuff?

Absolutely, darling
And I firmly encourage
you to get as drunk
as possible.

I hear rumors that the
father of the bride
is going to inflict
another speech on us

Oh, no no no!

I'm supposed to be
driving Will home.

Ah yes, young Will.

He was her chance, you
 know.
 only one of that lot,
 that was worth a damn.
 terrible shame.
 He is not dead.
 no I mean for her, not
 for him.
 Rupert's an asshole.
 You take care of him,
 He's a good one
 Take it from one who

 Four marriages and
 counting.
 Thank you so much for
 coming, Will.
 It was a lovely day,
 I wouldn't have missed
 it for the world.
 - You remember Louisa?
 - Oh yeah, yes, yes.
 Anyway, you're a real
 star for being here.
 And thank you for
 - the um, um
 - the mirror
 Yes, the mirror.
 absolutely love that
 mirror.
 Anyway, thank you.
 You didn't buy her a
 mirror!
 I know.
 okay, you
 What do you say, you
 gonna give me a whirl?
 What?
 How many of those did
 you drink?
 C'mon!

Let's give these
 tossers something to
 talk about.
 alright.
 Are they all appalled?
 Yes.
 Yes!
 Move closer?
 You smell fantastic.
 You know,
 you never would have
 let those breasts so
 near to me,
 if I wasn't in a
 wheelchair.
 Yes, well
 you never would have
 been lookin' at these
 breasts,
 if you hadn't been in a
 wheelchair.
 - of course I would!
 - No, you wouldn't.
 You wouldn't.
 You would have been too
 busy looking at the
 leggy blondes
 The ones who can smell
 an expense account at
 40 paces.
 and anyway, I would
 have been over there
 serving the drinks,
 One of the invisibles.
 Am I right?
 Yes, but in my defense
 - I was an ass.
 - Yup.
 Do you know something,
 Clark?
 You are pretty much

The only thing that makes me want to get up in the morning.
 Then let's go somewhere!
 anywhere in the world, just you and me
 What do you say?
 Say yes, Will!
 Go on.
 - okay
 - yeah?
 I can't handle this very well you know that.
 Look out, Will!
 Oh my God!
 Why didn't you return any of my calls?
 I was worried sick. Are you okay?
 I am old enough to spend
 The night in a hotel without permission, mother.
 okay?
 okay.
 Right.
 I'm guessing she didn't do your tubes?
 she did manage to get the portal down me, in the bed.
 This is not good, mate. You are sweating.
 Look at me, how's your eyesight?
 I'm pretty sure you're Nathan, am I right?

and I'm pretty sure you've been on the drink.
 Eh, am I right?
 - I will be fine.
 - Jesus, Will
 We had a nice time.
 What?
 I'm not coming to extreme, whatever it is called, Norway.
 They need me at work.
 But you said you'd support me!
 I am supporting you, Patrick
 I hate cycling and you know I do!
 But there's this trip I've got to go on, with Will.
 Why can't he just get an agency nurse?
 Because it is my job!
 What is this Lou?
 Your job, it takes priority over everything these days!
 Patrick, this is important, okay?
 - trust me.
 - it's Norway!
 It's meant to be a holiday.
 I just can't.
 Oh, Pat!
 He's stable.
 Pneumonia?
 He only had cough on Saturday morning.
 His lungs are weak.

Any bacteria hits him
hard.
Can I go in?
No, Camillas with him.
Let's leave her to it.
It's his fourth bout in
two years.
The last nearly killed
him.
Thank you.
How he doing?
He's a little better, I
think.
Would you like me to
take over for a while?
I would really like to
change my clothes.
Yeah.
Hey.
How are you feeling?
I've been better.
I dont know,
you'll do anything for
attention, Will
Traynor.
I don't think I can be
witty today, Clark.
Hey.
Just dropping off some
meds for when he gets
back.
Are you alright?
Yes, just um,
cancelling everything.
You know, don't you?
Yeah
I've been with him two
years.
His life is hard.
He hides his pain, when
he's with you.

But there have been
times when I've stayed
over.
And I hear him
screaming.
In his dreams he's
still running or
skiing.
still doing things
and..
Then he wakes up
And there is nothing I
can say to him.
Now, I can't judge what
he wants to do
That's his choice.
But that was before me.
Yes and I know that he
did pretty much
anything
to make you happy.
I want him to live,
Lou.
But only if he wants to
live.
I can't just let this
happen.
I can't.
And we are running out
of time.
So if I
could come up with
another trick, that
doctors would agree to
would you come with us?
yeah.
Of course I would
Hi.
This is unexpected.
I've bought your
parents cinema tickets

and your granddad is in his room, asleep. I think You bribed my parents and jailed my granddad. Good. I'm an idiot. But this job of yours is just for a few more weeks and things will soon be back to normal and I should be proud That youre doing something worthwhile. I don't want to argue with you less than 300 calories. What is this? it's the trip I told you about. I thought you meant Lords or something. hot tub under the stars? massages? Swim with dolphins? Whoa look! five star luxury 24 hour room service. This isn't work. Do you really expect me to just sit here while you swan off with another man? on a honeymoon? His other care giver's coming too. What? - Two guys, well that's alright then. Patrick

This is really important. Do you know how this feels? it's like I'm running permanently just a little behind the rest of the field. it's like theres something bad around the bend and everyone seems to know what it is, except me. - Patrick - Seven years! We've been together, Lou. you've known him five months. But he needs me. and I don't? I am sorry. Well, you got him here. - Cheers. - Thank you sir. Welcome to Paradise Bienvenue, let me show you to your rooms. Hey, you! How are you feeling? better. So what's the plan for today? Um, well, we can stay here for a bit. Because they rent DVDs at the front desk. we didnt come all this way to watch DVDs, Clark.

Hey Whoa, oh oh, Oye!
Is there alcohol in
that?
Rum, vodka and
Cointreau, sir.
She'll have two,
please.
- yes sir.
- Thank You.
Oh, I put you in for
scuba diving.
Even though I
personally didnt want
to?!
- Hey!
- Hi.
- Hello.
- Hello
I am going to walk
Karen back to her
hotel.
Because she shouldn't
walk back alone, yknow?
How chivalrous of you!
yeah, very civic
minded.
Ah, piss off, the both
of you!
Yeah, I've got
everything covered.
- Do not worry.
- We will be fine.
alright, yeah, we'll
see you later.
- bye!
- Have Fun.
do not, no!
Leave 'em open.
I want to see it.
Don't go back to your
room tonight, Clark.
Just do it.

No, I can't I can't and
it's gonna be too deep,
I can't.
You can, you can do
anything.
Why didn't you make me
do that earlier?!
That was amazing!
I don't know, Clark.
Some people just won't
be told!
I do not want to go
home.
This is It has been the
best.
You're glad you came,
right?
Yes.
You
You are a something
else, Clark.
Well
I have to tell you
something.
I know.
I know about
Switzerland.
I have known, for
months
Listen, I know
that this is not how
you would have chosen
it.
But I
I can make you happy!
- No.
- What?
No, Clark.
I get that this could
be a good life.
but it's not, "My
life".

its not even close
 You never saw me,
 before
 I loved my life.
 Ive really loved it.
 I cant be the kind of
 man, who just accepts
 this.
 Yes, but you're not
 giving it a chance.
 You're not giving ME a
 chance.
 I, have become a whole
 new person
 these last six months,
 because of you.
 I know.
 and that is why I can't
 have you tied to me.
 I don't want you to
 Miss all the things
 that someone else could
 give you.
 and selfishly
 I dont want you to look
 at me one day
 and feel even the
 tiniest big of regret.
 or pity.
 I would never would
 think that!
 You don't know that.
 I can't watch you
 wandering around the
 annex
 in your crazy dresses
 or see you naked and
 not
 not be able to
 Oh God, Clark!

If you had an idea of
 what I want to do to
 you right now
 I cannot live like
 this.
 Please Will!
 Please!
 listen.
 This
 Tonight
 being with you
 is the most wonderful
 thing.
 No!
 You could have ever
 done for me.
 But I need it to end
 here
 No more pain and
 exhaustion
 and waking up every
 morning..
 already wishing it was
 over.
 It's not going to get
 better than this.
 The doctors know it and
 I know it.
 When we get back, I am
 going to go to
 Switzerland.
 So I'm asking you, if
 you
 really feel the things
 you say you feel.
 Come with me.
 Yes I know, but
 I thought that you were
 changing your mind
 Nothing was ever going
 to change my mind.

I promised my parents
 six months
 And that's what I've
 given them
 No, no!
 No.
 Don't say another word.
 You're so selfish!
 I tore my heart out in
 front of you
 And all you can say is
 "no".
 And now,
 You want me to come and
 watch
 The worst thing you can
 possibly imagine.
 Do you have any idea of
 what you are asking?
 I wish I had never
 taken this stupid job.
 I wish I had never met
 you.
 Louisa?
 Louisa!!
 You alright?
 fine.
 Merci.
 Oh look at you, you
 look wonderful!
 You do.
 Great photos of you on
 the beach.
 - and also swam, and
 everything too, right?
 - Yes, it was great.
 How was the flight?
 Well, we got here in
 one piece.
 Are you hungry?

We can eat in the
 restaurant in the Inter
 Continental.
 - I could eat.
 - Excellent.
 Louisa, let me give you
 a hand with those.
 Actually, I need to get
 home
 Oh c'mon. We want to
 know how you got on.
 let her go.
 Louisa!!
 Louisa!! Louisa
 Wait, Louisa please.
 You do not have to pay
 me.
 I'm sorry.
 Well?
 Sit down, Josie, love,
 please!
 Lou is upset enough.
 and his parents know?
 I mean
 What kind of people are
 they?
 Mrs. Traynor, does not
 know what else she can
 do.
 its his choice.
 - some choices you
 don't get to make!
 He's not in his right
 mind!
 people who are
 vulnerable should not
 be given the chance to
 it's complicated, Mom.
 It is not. It's simple.
 - Mom?
 - No!

You can't be a part of
 this.
 it's no better than
 murder.
 I tried, Dad.
 I tried so hard!
 But I failed.
 Who says you failed?
 I'm not sure anyone in
 the world
 could ever persuade
 that man
 once he'd set his mind
 to something
 you can't change who
 people are.
 Then what can you do?
 You love them.
 No one could have done
 more than you.
 You have a heart as big
 as that castle
 and I love you for it.
 Have you seen Mr.
 Traynor?
 They left.
 This morning.
 Dad, have I made a huge
 mistake?
 call them.
 you still have time.
 Do not worry, Mom will
 come 'round.
 I'll talk to her.
 You're doing the right
 thing, Lou.
 You have to go.
 You were useless until
 you met him.
 Hello.
 Hello.

He's just through
 there.
 okay.
 - Ma'am.
 - Oh!
 Thank you.
 Sorry, I didn't mean
 to.
 The familiar sound of
 Louisa Clark making an
 entrance.
 we'll leave you be.
 Thank you.
 Don't tell me
 You've come to prepare
 my last cup of tea.
 Actually no
 I'm here to kidnap you.
 I am going to steal you
 and I'm going to take
 you to, um
 - Where?
 - to Rio.
 Or, my Mum and Dads, I
 haven't quite decided
 yet.
 Come here.
 Closer.
 Look at me.
 Please look at me!
 - I can't.
 - Tough.
 I need to see that
 face.
 I need to see that face
 of yours.
 Even if it is all
 pink and blotchy
 You really are a most
 impossible man, Will
 Traynor.

and the world will
definitely be a better
place without me.
No.
No.
Don't be sad, Clark.
Tell me something good.
I wililililish I
lililililived
in Malalalahonkey land
Will you stay?
As long as you want me
to.
Can you call my parents
in?
Clark.
a few weeks should have
passed by the time you
read this.
If you've followed the
instructions, you'll be
in Paris.
in one of those chairs
that never sit quite
level on the pavement
I hope it's still
sunny.
Across the bridge to
your right you will see
L'Artisan Parfumeur.
You should try the
scent, Papillon
Extreme.
I always did think it
would smell great on
you.
- Ca va?
- Oui, Ca va.
Merci.
There are a few things
I wanted to say and
couldn't,

because you would have
got all emotional.
And wouldn't have let
me finish.
So, here it is.
When you get back home,
Michael Lawler will
give you access to a
bank account.
that contains enough to
give you a new
beginning.
Don't start panicking
its not enough for you
to sit around for the
rest of your life.
But it should buy you
your freedom.
Wear those stripy legs
with pride.
Knowing you still have
possibilities.
is a luxury, and
knowing
that I might have given
them to you has
eased something, for
me.
So, this is it.
You are scored on my
heart, Clark.
You were, from the
first day you walked
in.
With your sweet smile
and your ridiculous
clothes.
And your bad jokes.
and your complete
inability
to ever hide a single
thing that you felt.

Don't think of me too
often.
I do not want you
getting sad.
Just live well.
Just live.
I'll be walking beside
you every step of the
way.
Love, Will
