<b>1. Internal Factors</b>		Based on the researcher's observations, Miss. D when entering the room and when presenting the material looked calm. In some parts during the presentation of the material, there were still a few stammering in pronunciation such as "eee ...". However, when entering the question and answer session, students looked nervous. This can be seen from the way students speak when answering questions from the examining lecturer. In addition, it can also be seen from the gestures of students when explaining their answers, such as the body moving to the right and left, making

NO	Question	Answer
1.	Have you ever done a presentation in English?	Yes, I have
2	How do you feel about presenting a seminar proposal in English?	When I presented my seminar proposal I felt just so I felt nervous but sometimes I felt nervous when the examiner gave me some suggestions that made me feel down it is because my title does not match the content of my seminar proposal, and the examiner said that my title was old.
3	When you are waiting for your turn to enter the room, what do you feel?	I think my heart beat so fast, it is because I also heard one of my friends (1st participant) who was given a lot of advice and

		her seminar took so long almost one hour.
4	Do you feel anxious during the seminar proposal? Can you tell me the reason why?	Yes, I do. Because as I said before, I was nervous when the examiner gave me some advice that make me feel down.
5	What factors make you feel anxious when presenting the material?	One of the factors I think is the examiner, because I feel under pressure.
6	How do you overcome the anxiety?	I just pray and make sure I have learned the material properly

2	How do you feel about presenting a	Of course, I was very scared and nervous because I had to prepare the presentation well. So, I would

	seminar proposal in English?	continue my research into chapters 4 and 5.
3	When you are waiting for your turn to enter the room, what do you feel?	Because I'm the first participant to do the seminar proposal, I felt very nervous, because I'm afraid I could not answer the questions given by the examiner.
4	Do you feel anxious during the seminar proposal? Can you tell me the reason why?	Yes, I do. Because even though the subject of the seminar on the ELT had been taught how to do a good presentation and before I did the presentation I watched youtube related to the seminar proposal conducted by that person. But still, I felt nervous when the examiner gave me a suggestion.
5	What factors make you feel anxious when presenting the material?	One of the factors is the fear of the examiners. Besides that, I'm afraid the title and content of the seminar proposal that I delivered are not appropriate.
6	How do you overcome the anxiety?	Praying, strengthening the seminar proposal that will be delivered, trying to think positively that I can get through all of this, and giving support to myself.
